- Highampton Community Primary School
- Lydford Primary School
- Northlew & Ashbury Parochial Church of England Primary
- Okehampton College

Lydford Primary

Okehampton College

6 March 2017

Dear Colleague / Parent / Stakeholder

Outcome of the Consultation on the proposal that Highampton Community Primary School join The Dartmoor Federation

A joint meeting of our two Governing Boards was held on Thursday 2 March 2017 at which detailed consideration was given to the responses received from the recent consultation process and a final discussion took place. The two Governing Boards then retired to separate rooms and each Governor made their vote. I am delighted to confirm that both Governing Boards were unanimous in their vote and that, consequently, Highampton Community Primary School will join The Dartmoor Federation with effect from 18 April 2017. All arrangements will be exactly as set out in the detailed consultation letters sent out in January.

We will of course continue to work very closely together - the Governing Board of Highampton Community Primary School retains full control of and responsibility for the school until 17 April 2017 and will be deciding in the interim period which Governor will join The Dartmoor Federation Board.

Concurrently, Highampton Community Primary School will become a partner to The Dartmoor Co Operative Learning Trust and it will have the right to nominate one Trustee to sit on the Trust Board.

We are very much looking forward to welcoming this excellent and successful school into our family – working together to be the best we can possibly be.

With Kind regards

Your sincerely

Ian Courtney
Chair of Governors
