

Post-16 Summer Work - Art

Portfolio unit 1 preparation

On a double page in your A3 sketchbook prepare a page based on the word 'Anatomical'

Anatomy is the branch of morphology concerned with the study of the internal structure of organisms and their parts. Anatomy is a branch of natural science that deals with the structural organization of living things. It is an old science, having its beginnings in prehistoric times.

This must be a visual mind map which contains printed images, inspiring artists, drawings, keywords in an aesthetically pleasing design.

Equipment Preparation

Please could you purchase the following ready for the portfolio unit,
