

Enrichment Week  
10-14 July 2023

# 2023 Enrichment Week

Dear Parent / Carer

It is with great delight that we are able to launch our 2023 summer Enrichment Week programme. All Key Stage 3 students will take part in this exciting week from Monday 10th to Friday 14th July.

This week is an extension to our curriculum, we believe it is a fantastic opportunity for students to make new friends and create everlasting memories, but most importantly this week promotes the following enrichment outcomes:

- Helps young people engage and improve their social interaction
- Develops cultural awareness of the world around them
- Increases motivation and helps promote a healthy and active lifestyle
- Builds confidence and self-esteem
- Teaches and develops new skills
- Builds resilience and independence

We ask that you please read through this brochure carefully with your child and when deciding which trip or activity to choose, we ask that you focus on what you can afford and what your child would enjoy and gain the most from, not what their friends want to do.

We have tried to include a variety of trips with a variety of costs so as to cater for everyone's needs. We very much understand the economical state of life at present but also acknowledge that trips such as these offer amazing opportunities for students. It is always a challenge to meet everyone's needs and much consideration and work has gone into ensuring we continue to offer such an enriching week for our young people.

Most trips are limited on numbers and for any trips that are over-subscribed, places will be allocated on a 'first come first served' basis, therefore it is important that your child selects 2 alternative choices so that we can allocate another trip if they do not gain a place on their first choice. There are over 700 students in KS3, so we hope that you appreciate that allocating students to trips is not an easy task and we cannot guarantee that your child will get their first choice, or be on a trip with a particular friend, however we will do our very best to accommodate everyone where possible.

Please be advised that the details printed in this brochure are correct at the time of publication but may be subject to change. The prices printed are an approximate cost and based on the trip being completely filled to capacity, prices may increase, or some trips may not even run if the demand is not great enough.

Mrs Hachipuka  
EW Co-ordinator

# Important Information for Parents/Carers

## How to sign your child up for a trip/activity

Please complete the booking form by [clicking here](#). This form will go live at 6pm on **Friday 11th November 2022**.

If you have more than one child in KS3, please ensure that you complete a form for each child. All students should select **3 different choices**, all of which they would be very happy to be allocated on, it is not always possible for students to receive their first choice.

1. The form will close at **midnight on Tuesday 15th November** so please ensure that you complete it before this deadline. Remember any trips that are over-subscribed will be allocated on a 'first come first served' basis, the quicker you complete the form the more likely your child will secure a place on one of their chosen trips.
2. After the deadline we will begin the allocation process and you will receive confirmation of your child's trip/activity by email.
3. You will be expected to pay a deposit by **Wednesday 30th November** to confirm and accept your child's place on the allocated trip/activity. This should be paid via your child's online School Gateway account by the deadline.
4. Any students eligible for Pupil Premium funding may receive a 10% subsidy, which will only be deducted from the final payment(s) of the trip and providing that all other instalments are paid up to date.
5. Please be advised that deposits for foreign residential trips will be a substantial amount and will be in line with the deposit invoices we receive from tour operators. We must be very strict on receipt of deposits, if we do not receive your deposit by the deadline then we may have no other choice but to take your child off the trip.
6. Many of the trips/activities are a huge financial commitment for parents/carers, therefore please ensure that your child is motivated and enthused by their allocated trip/activity before paying the deposit, if your child changes their mind about their trip once the deposit has been paid, this is highly likely to result in the loss of your deposit. Once the college have paid deposits to activity providers and tour operators these will be strictly non-refundable, also non-transferable to an alternative trip.
7. Each trip/activity will have a payment schedule and payments must be paid by the specified deadlines, this will allow us to ensure that we make prompt payments to our tour operators or activity providers on time. We would be grateful for parents / carers full support with this
8. As with any school trip, conduct and behaviour taken into consideration. Students are representing the College and we need to feel confident that students are going to keep themselves and others safe, especially on residential and trips outside of school. Trip leaders will have conversations with families if they have concerns.
9. There will be no group passports, so students will need individual passports for residential trips abroad. Please ensure they are in date and apply early if a replacement is required.

Any questions relating to any of the above, please contact Mrs Stevens or Mrs Thompson in the curriculum support office who will be very happy to help, or Mrs Hachipuka, Enrichment Week Co-Ordinator.

# Activities at a Glance

Activity	Approximate cost	Page	Year Group	No. of places available	Deposit
Animal Antics	£90 - £120	5	Years 7,8,9	45	£30

- Students will need a valid passport. If your child does not own a passport, then we strongly advise that you apply for one as soon as your child has been allocated a place on the trip and you have paid your deposit

# North Devon Adventures

A fantastic residential in North Devon to participate in multiple adventure activities, all instruction and equipment included. So many exciting opportunities and the chance to learn new skills and make new friends. Brand-new residential centre.

## Details and General Information:

A typical programme could include:

- Team games
- Kayaking, SUP and Rafting
- Archery, Rifles, Mountain Boarding
- High Ropes and then get down low with an Assault Course
- Plus lots more!
- All meals included

**Approximate Cost:** £480-£510

**Deposit:** £100

**No of places:** 50

**Length of Activity:** 5 days

**Age of Participants:** Years 7, 8, 9

## Enrichment Outcomes:

- Team building
- Problem solving and communication
- Build confidence in trying new things

## Student Requirements:

- Love the outdoors
- Ability to swim
- Happy to stay away from home for 4 nights

# PADI Open Water Diver

An amazing opportunity to train to become an open water diver with Teign Dive Centre on the beautiful South Devon coast.

## Details and General Information:

- Students will gain an internationally recognised professional qualification which will enable them to dive anywhere in the world to a maximum depth of 18m
- Please be advised that some health issues may prevent access to this activity, or a doctor's certificate may need to be obtained upon request
- Daily travel by minibus within school hours

**Approximate Cost:** £380-£400

**Deposit:** £80

**No of places:** 15

**Length of Activity:** 5 days

**Age of Participants:** Years 7, 8, 9

## Enrichment Outcomes:

- Professional Qualification
- Promote a healthy and active lifestyle
- Help build confidence and resilience

## Student Requirements:

- Students will need to undertake some online theory at home before attending the course in July. The course includes the eLearning and full kit, 3 pool sessions and 4 sea dives from local shores.
- Students must be able to confidently swim 100m and be in good general health.
- Students should provide a packed lunch each day.

# South Devon Adventures

A fantastic residential at Barton Hall in Torquay, you will participate in multiple adventure activities, all instruction and equipment is included. You will have an evening entertainment programme plus time to use the outside heated swimming pool and indoor activity zone. So many exciting opportunities and the chance to learn new skills and make new friends.

## Details and General Information:

A typical programme could include:

- High Ropes
- Orienteering
- Abseiling
- Zip Wire
- Raft Building
- Plus lots more!
- All meals included

Approximate Cost: £425-£455

Deposit: £100

No of places: 45

Length of Activity: 5 days

Age of Participants: Year 7,8,9

## Enrichment Outcomes:

- Teambuilding
- Problem solving and communication
- Build confidence in trying new things

## Student Requirements:

- Have a sense of adventure
- Ability to swim
- Happy to stay away from home for 4 nights

# Spectacular Science

This will be a fun-filled, action-packed week particularly for those interested in STEM (Science, Technology, Engineering and Maths) related subjects. We will be exploring a range of science related attractions, offering access to many exciting exhibits and workshops as well as looking at animal focused conservation.

## Details and General Information:

- Visit Paignton Zoo and take part in the 'Sustainability Sussed' workshop
- Visit the National Maritime Museum in Falmouth and take part in the 'Scrapheap Sailboat Challenge'
- Explore the Biomes and the world's largest indoor rainforest at the Eden Project as well as take part in a climate change workshop
- Discover Longleat on a drive-through safari, as well as enjoying all the other attractions on offer
- Visit the National Marine Aquarium in Plymouth. With interactive tour and 'under the knife' workshop.

**Approximate Cost:** £90-£110

**Deposit:** £25

**No of places:** 50

**Length of Activity:** 5 days

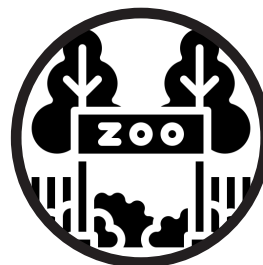

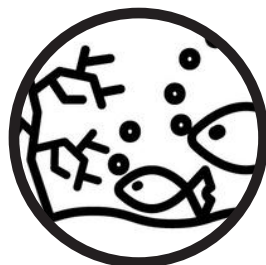

**Age of Participants:** Years 7, 8, 9

## Enrichment Outcomes:

- Raising awareness of science and other STEM related careers
- Providing opportunities for students to engage in scientific exhibits and workshops
- Exploring the wider world, building confidence and resilience

## Student Requirements:

- Students should provide a packed lunch each day
- Be able to travel distances by coach each day

# Technology & IT Week

For students with a keen interest in Design & Technology and IT.

## Details and General Information:

- Students will gain the experience of using workshop tools and equipment they may not have previously come across during Design & Technology lessons in years 7 - 9.
- Combined with their existing skills and knowledge the learners will manufacture products using three separate mediums: Wood, Metal and Plastic. On completion, the products can be taken home for students to celebrate what they have learnt and created during the week.
- Students will also be able to develop and create ideas through the use of computers.

**Approximate Cost:** Free of charge

**No of places:** 40

**Length of Activity:** 5 days

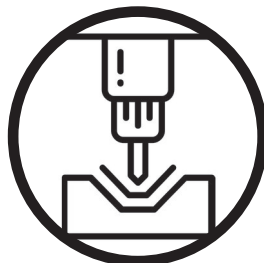

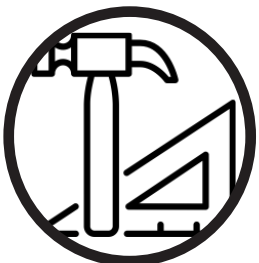

**Age of Participants:** Years 7,8,9

## Enrichment Outcomes:

- Build confidence
- Develop use of tools
- Learn new skills

## Student Requirements:

- Students must provide a packed lunch each day as the canteen will not be available

# Two Wheel Thrills

This is an action-packed adventurous week of two-wheeled fun for thrill seekers who love the great outdoors.

## Details and General Information:

- One day of mountain biking on Dartmoor with Adventure Okehampton
- One day trail riding at Haldon Forest
- One day trail riding at Lanhydrock
- Segway adventure safari and segway Olympics at Devon Country Pursuits, Ottery St Mary
- One day mountain biking from Exeter Quay to Dawlish Warren
- Bike hire is included each day

**Approximate Cost:** £200-£220

**Deposit:** £50

**No of places:** 30

**Length of Activity:** 5 days

**Age of Participants:** Years 7, 8, 9

## Enrichment Outcomes:

- Promote a healthy and active lifestyle
- Encourage teamwork, improve social skills, and build resilience
- Develop knowledge and understanding through practical application, whilst learning new skills and techniques

## Student Requirements:

- Students will need to be a very confident bike rider, have good fitness levels, as well as a strong sense of adventure
- Students should provide a packed lunch each day

# Vertical Adventure Week

A climbing sport-based week. Students will overcome their fears, learn new skills and develop soft skills such as communication and teamwork.

## Details and General Information:

- Indoor bouldering and movement coaching at the Climbing Hanger
- Indoor Climbing at Clip N Climb
- Coasteering near St Minver in Cornwall
- Rock Climbing with Adventure Okehampton on Dartmoor
- Climbing, Weaselling and scrambling at Hound Tor on Dartmoor

**Approximate Cost:** £175-£195

**Deposit:** £50

**No of places:** 50

**Length of Activity:** 5 days

**Age of Participants:** Years 7, 8, 9

## Enrichment Outcomes:

- The chance to learn something new or develop a skill you may already have
- Encourage a healthy and active sport
- Help build confidence

## Student Requirements:

- Be willing to push the boundaries and have a go
- Be able to swim 50m
- To bring sensible clothing and footwear
