Dear Parent/Carer

KS5 Art Materials Kit List

Your son/daughter has chosen to take Art as an A Level option. As this is a practical course they are required to have access to Art materials outside of school and to use during their self-study periods. They will also be expected to keep a sketchbook, which will contain homework, self-generated artwork and research for work being undertaken at school. Below is a kit list of the items your son/daughter will require to purchase over the summer ready to start their A Level Art Course in September.

Students will need:

- A Pack of 24 Oil Pastels
- A Rubber
- Colouring Pencils
- A Set of B Graded Pencils
- A Glue Stick
- A Pencil Sharpener
- A Pack of Soft Pastels
- A tray of Watercolours (with brush)
- Black Fineliner Pens
- 2 (one for each unit) A3 Hardback Sketchbooks – 140gsm Grade Cartridge Paper
- An A1 Heavy Duty Plastic Portfolio
- Acrylic Paints
- Acrylic Paintbrushes (size 10, 14 and 18)

We also recommend that students source and purchase a lockable toolbox to keep their materials safely in their studio space.

Yours sincerely

Ms N Le Couilliard
Head of Art
