8th September 2023

Dear Families of Year 11 pupils,

I would like to invite you and your child to our Year 11 Countdown to GCSE's and Revision Workshop Evening which will be taking place on **Tuesday 12th September from 5.30pm to 7.00pm at Okehampton College.**

As your child embarks on Year 11, the relationship between home and school has never been more important. The support and guidance we all offer will be so important and we feel this revision evening is a wonderful way for us to support both the young people and our families.

The focus of the evening will be three revision workshops for pupils and their parents in English, Mathematics and Science. Each of the three workshops will have a bespoke revision technique linked to their subject area, which can also be applied to other subjects across the curriculum.

A further element is to share with you our overview for the year with clear procedures for our exams, including the exam timetable for the first series of Year 11 Mock exams, starting on Monday 9th October 2023. We hope that by sharing the mock exam timetable 4 weeks in advance will enable sufficient time for your child to prepare, together with your support at home with their revision studies.

We will be serving tea and coffee from 5.00pm in the College Octagon, to begin our meeting from 5.30pm and finish by 7.00pm. We shall then informally group pupils with their parents, allocating them to a group on arrival. Each group will attend all four sessions.
