

Music Department Instrumental Tuition 2021-22

Music has a high profile at the College and we always endeavour to provide quality instrumental tuition alongside curriculum lessons. If you would like your child to learn an instrument, please read the following information carefully and in order to accommodate all students, please hand back the request form to Mrs Teixeira as soon as possible. The form will be given to the relevant teacher who will then contact parents directly to discuss when lessons can begin.

Instrumental tuition is provided privately by individual tutors who will invoice parents directly each term.

Teachers will accommodate a settling in period but thereafter, half a terms notice must be given to terminate lessons.

Please indicate on the form where funding for lessons is coming from, and make it clear who the teacher needs to contact for payment if not from parents/guardians.

Prices are based around the assumption that teachers will teach 30 lessons in a year.
