

# Personal investigation

## Task 5

# So far you should have completed the following...

- 1- Purchased a new sketchbook
- 2- Left a blank page for the title
- 3- Left a blank page for a mind map
- 4- Submitted the proposal form
- 5- Completed a page on your anticipation of visiting the work virtually
- 6- Completed an artist research page on your first artist
- 7- Completed a page responding to an image by artist using their techniques ( view finder and whole image) annotated.
- 8- Completed a page with the following on; a small image with your artists work for reference, have taken your own photo in the style of the artist and genre and produced your work from the photo using the artists techniques.
- 9-Taken a series of photographs and printed them onto a test sheet. Printed two of the images taken larger.

# Next step .....

- USING YOUR TWO CHOSEN IMAGES....
- This week you will be using the two images you selected from all of your photographs to work from.

# On a new page in your sketchbook...

- Stick down your two selected photographs.
- You will be gaining inspiration from these images to create your own version. Please do not copy them like a spot the difference image, the aim is to be inspired by them. For textiles the expectation is that these are drawings too (not an technique experiment)
- Think about your artists style, think about the different media you could use, add elements of your own style to them. It doesn't have to be a pencil drawing, it doesn't even have to be 2D.
- Ensure you annotate the images when you have finished.

# Some examples to inspire you....
