## Module 5 Booklet: Ciudades (Cities)

This short booklet focuses on these 2 sub-topics of Module 5:

- **Planning what to do in a city**
- **The pros and cons of a city**

Use this booklet to support your Spanish, alongside the on-line learning. The booklet contains all the vocabulary and ideas that you will need, plus how to put them into sentences via the Knowledge Organisers, and some extra, short practice exercises.
