

Key Learning Areas for Year 9 Drama

Please note that the following is **NOT** extra work for students who have already completed all their online learning, although these students may wish to **revise** the Knowledge Organisers to prepare for the assessment in September.

As you will know, your child has been set a weekly Drama remote learning assignment since April. These assignments can still be accessed by clicking the 'Past' tab once logged into ClassCharts.

We have identified 4 key learning areas from this remote learning that will be assessed in September:

1. One Man, Two Guvnors Week 1: **Performance Skills**
(ClassCharts task set week beginning 13th April)
2. One Man, Two Guvnors Week 4: **Lighting Design**
(ClassCharts task set week beginning 4th May)
3. One Man, Two Guvnors Week 6: **Set Design**
(ClassCharts task set week beginning 18th May)
4. Showtime! Week 1: **Theatre Roles and Responsibilities**
(ClassCharts task set week beginning 1st June)

No Internet access is needed for the theatre evaluation assignments as an image has been provided for each topic, but students can watch extracts if they would like to do so and if they have Internet access [Log in details are on the PowerPoint and the worksheet].

We have created the '**Year 9 Drama Remote Learning Checklist**' below to support students in managing their remote learning. This sheet contains a breakdown of key tasks in each assignment on page 1 as well as links to useful online resources on page 2. This document is for:

- students who have **not yet** completed these assignments
OR
- students who have completed the assignments who wish to **revise** the key learning areas

All tasks have *already been set* as assignments on ClassCharts but have been adapted for completion OR revision during the summer. Each assignment has a worksheet (Word or PDF) and the relevant Knowledge Organiser (PDF).
