Dear Parent and Families,

I am writing to invite you to this year's Okehampton College Post-16 (Sixth-Form) Curriculum Evening. Taking place on Wednesday 11<sup>th</sup> October 2023, we have decided to launch our offer early this year to provide students with as much time as possible to explore what is available to them at their college, and for the community to see and hear about recent changes in provision.

We recognise the importance of communication and this evening will provide an excellent opportunity for the positive changes within our provision to be shared and for both students and families to engage with us in discussing and understanding these.

In the build up to this event, all students and families will be sent a prospectus to support their understanding of what is on offer linked to Opportunities, Curriculum and Community.

### **Event Details:**

Wednesday 11<sup>th</sup> October 2023, 4:00pm – 6:30pm

Please gather at the Octagon for keynote presentation

Teas and Coffees from 3:45pm (Served from the Octagon hatch)

Following on from this event, we will look to provide further details linked to our intended provision. This will be a 2-way process as we will ask the students about what their intentions are and how we can shape and mould our provision to meet as many of their needs as possible. As this process is tailored specifically to meet the needs of our young people, we have decided to run follow up events and information throughout the year to ensure that messages are clear and any feedback can be taken on board.

Our collective aim is to create a Post-16 environment which truly caters for the needs of our young people and I thank you in advance for any feedback provided which can help shape that journey.

To support the planning of this event, please use the following reply [link](#) to indicate your attendance and the number of adults/family members accompanying your young person. For reasons linked to capacity, please limit the additional persons to 2 where possible.

I look forward to seeing you all on the evening.

Kindest regards
