

# Everyday objects challenge

# Everyday objects challenge success criteria-

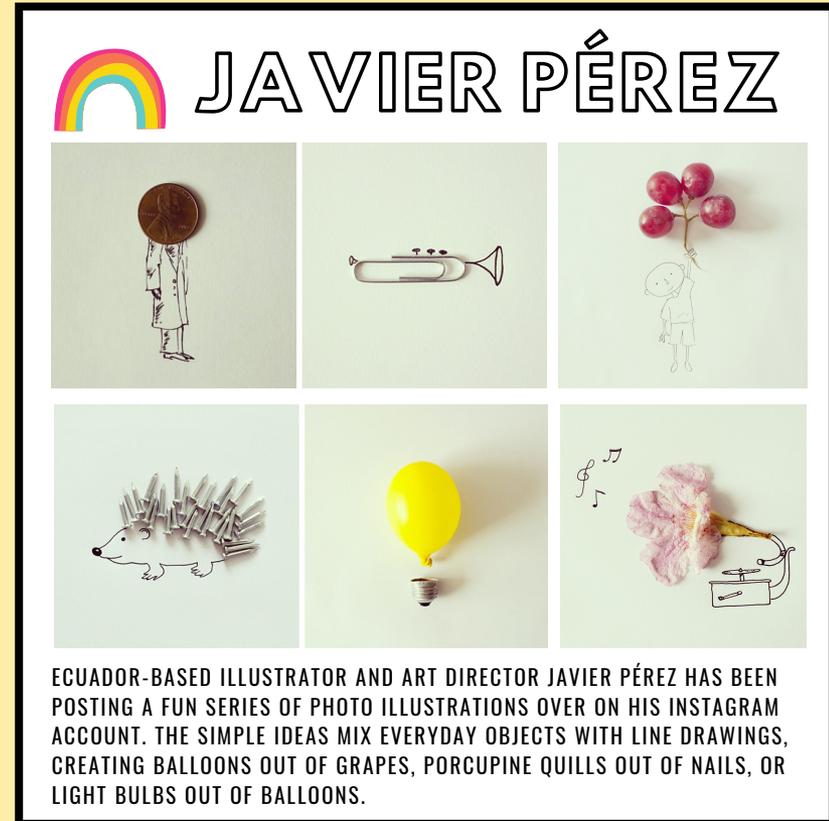

- Create at least 10 **original** drawings (please do not just copy the ones the artist has created) using everyday objects from around your home. At least two need to be using a food item.
- Draw your own simple characters and creatures using only black pen or grey pencil.
- Your drawings need to be on a white piece of paper.
- Photograph your finished drawings from a birds eye view (directly above) and create a photo collage of them. Upload this onto Teams for your teacher to see.
- Extension- Create a stop motion of one of your characters.

# Lesson 1

Step 1- Research online the work of artist Javier Perez for inspiration for your own drawings. Think about the type of objects he selects for his drawings.

Step 2- Wander around your house to find your own objects, look in drawers and the fridge. Think about what drawing you can add to this to create your own piece of artwork. Collect at least 10 objects a black pen or pencil and some white paper.

# Lesson 2

Step 1- Create your 10 drawings in the style of Javier Perez on white paper incorporating your objects.

\*\*\*TIP\*\*\*

Illustrations can be powerful when you leave the viewer to make their own decisions and to fill in the gaps using their own mind

## Lesson 3

Step 1- Photograph all of your drawings (you should have at least 10)

\*\*\*TIP\*\*\*

Make sure you take your photos from a bird's eye view (directly above) on a clear, plain table. NOT from the side or at a an angle, or on your bed or with lots of things in the background!

## Lesson 4-

Step 1- Create a collage of all of your photos of your drawings using a free app (e.g. piccollage)

Step 2- Upload this onto Teams for your teacher to see.

Extension- Create a stop motion of one of your characters.
